

The activity that MEYPAR considers compliant with the quality required according to the International Standard ISO 9001 and the requirements of our customers is:

DESIGN, MANUFACTURING, INSTALLATION, MAINTENANCE, REPAIR AND COMMERCIALIZATION OF ACCESS CONTROL AND PAYMENT SYSTEMS.

Through this document, known and shared by all members of MEYPAR, we wish to express our constant commitment to Quality, the Environment and the Prevention of Occupational Risks.

MEYPAR's Management assumes the commitment to implement and maintain a Quality System, based on the ISO 9001 standard. The principles established as essential are:

- Supply of products and Services with sufficient Quality to satisfy, in price and time, the needs of current and future customers. Including regulations, customer requirements and all applicable legal provisions.
- Maintain and develop the Quality System to improve communication and training of all MEYPAR collaborators, with the aim of obtaining active participation and teamwork that allows achieving: the commitment to continuous improvement, adequate Prevention of Occupational Risks and respect for the Environment.
- Develop, apply and maintain a preventive approach in all MEYPAR activities, focusing especially on the safety, health and well-being of workers, subcontractors and visitors.
- Have the means and resources necessary to implement the policy and objectives so that all MEYPAR staff are involved.
- Consolidate the continuous improvement process in the fulfillment of all activities carried out at MEYPAR.

To develop these principles, the principles and practices of the Quality Management System will be applied by establishing annually quantifiable and adequate objectives. Progress towards the objectives will be monitored to ensure their fulfillment.

This policy is published and available to everyone.
